Greeley-Evans School District 6 New School Opportunity

Early College High School

District 6 High School Diploma and Aims Community College Associate of Arts Degree—FREE!! Early College High School is a continuation of a partnership between Aims Community College and Greeley-Evans School District 6. The program is located in the former Aims Corporate Education Center, 5590 W. 11th Street, Greeley. Early College High School is now accepting applications for all current 8th and 9th grade students. We will open August 2015 with 100 9th grade students, and 100 10th grade students. The school will build to 500 students over the next few years. Early College High School provides students the opportunity to earn an Aims Community College Associate of Arts degree at the same time they earn a high school diploma.

ECHS Registration Celebration

March 4, 2015: 6:30pm–8:00 pm

All schools in Greeley also share a common Registration Night March 4, 2015 6:30 pm. Early College High School will host a party for our new students, parents and friends at the District's March 4 Registration Night. We want to share the news about ECHS with all of the District, and this will be a great place to do just that. Join us March 4 at 6:30 to celebrate this unique new venture!

All classes are free!

Water Meter Upgrades

The City of Evans is in the process of upgrading water meters and radios throughout the City. This upgrade will help us provide better customer service by having up to the minute information available to us. When this process is completed, it will make for a more efficient system, allowing us to better serve our residents.

If your meter is located inside your home, our technician will need to gain access to your water meter in order to make this change. Technicians have been placing door tags on homes they need access to for several weeks. If you received a door tag, please contact us to make an appointment for this upgrade. There is no charge for this service.

Please call Anne at 970-475-1196 to schedule an appointment for our technicians to come and provide you this upgrade. If Anne is unavailable, please leave a message with your address and phone number and she will call you back as soon as possible.

Thanks for helping us help you!

Talk about dedication!

When Evans City Council meetings begin at 7:30 pm, Council Member Mark Clark joins remotely from Qatar, in the early hours of his morning.

Currently stationed on an ally base in Qatar, he continues to serve not only the Wyoming Air National Guard, but the community of Evans while completing a 120-day mission.

At Council Member Clark's request, the Evans City Council adopted Resolution No. 41-2014 authorizing Council Member Clark to participate in Council meetings remotely while on his active military duty.

Thank you Council Member Clark for your service, both here at home and for our country.

Union Pacific CARES

The City of Evans has received a \$5,000 UP Cares Safety Grant for railroad safety education. The City will be working with area elementary schools over the next year on programs to help keep our children safe.

Thanks Union Pacific!

Fire Engine 2

The Evans Fire Protection District is the proud owner of a new 2014 Rosenbauer EXT pumper. This purchase was made possible with the help of a Colorado

Department of Local Affairs Energy Impact Assistance Fund grant. The Rosenbauer EXT pumper replaces a 1996 pumper that is being sold to Red Rocks Community College Fire Sciences program for a training vehicle.

Weld 911 Alert

Code Red Weather Warning

The Weld County Regional Communications Center has launched a new high-speed emergency notification system called CodeRED. The new system will replace the existing reverse notification system used to alert county residents of emergencies and offers new features to subscribers including free weather notifications via text or email. Residents who have already registered their phone numbers with the previous system will automatically have their numbers loaded into the new system.
